## What Parents are Saying

"Thank you soooo much! You have no idea what this means to us. We just went in yesterday to get tested for COVID-19 since Isabel's pediatrician confirmed she has the virus and needs to be tested. I'm currently recovering from the virus also. I thanked God for your organization every day, and I will continue to pray for all the donors that make this help possible to us. God has answered my prayers. May God continue to bless you and keep you healthy every day of your life."
