

Record of Educational Attainment

The EFA law requires that all students renewing the EFA grant *must* provide a record of educational attainment. Below are the three acceptable forms of a qualified record of educational attainment. Returning EFA students must submit one:

1. A Standardized Test

Acceptable standardized tests include, **but are not limited to**:

- California Achievement Test
- CLT (Classical Learning Test)
- ERB - Milestone
- ERB - CTP
- Iowa Test of Basic Skills
- NWEA/MAP
- PSAT
- SAT
- Stanford Achievement Test
- Terra Nova

If you do not see your standardized test, select 'Other' on the application.

You will need to enter the **Total score**, the **Math score**, and the **ELA score**. You will be asked to upload the report to the student's application.

OR

2. The NH state-wide assessment

You will need to enter the **Total score**, the **Math score**, and the **ELA score** of the state-wide assessment. You will be asked to upload the report to the student's application.

OR

3. A signed evaluation letter from a teacher of the student's portfolio of work from the current school year or school report card

The evaluation letter must include the following:

- (1) The name and address of the teacher, including state recognized documentation of certification or the name and address of the nonpublic school in which the teacher is currently teaching;
- (2) The date(s) on which the evaluation(s) took place;
- (3) A description of the work reviewed;
- (4) A summary of the child's educational progress; concluding with a statement that the child has or has not made educational progress; and
- (5) The signature of the teacher.

4. Student Report Card

You will be asked to upload the report card to the student's application. Students who are attending an approved public school (outside of their home district) or a nonpublic school full-time, may provide a copy of the eligible student's report card in lieu of a signed portfolio evaluation letter.
